Each contestant must be given this copy of the rules and complete the entry form, above.

Section I - General Rules

1. The Optimist International Essay Contest is divided into two levels of competition: Club (preliminary contest) and District (scholarship competition). The winner of a local club contest advances to the District Scholarship Competition.
2. Contestants must enter through a local Optimist Club.
3. Contestants must compose an original essay with limited guidance from others. Webster's Dictionary defines an essay as an analytic or interpretive literary composition. Works of fiction or poetry will not be accepted.
4. All District-level contests must have a minimum of three (3) contestants participating.
5. Optimist International will have the right to edit, publish or otherwise duplicate any essay entered into the contest without payment to the author.

Section II - Qualifications for Contestants

1. The contest is open to contestants under the age of **19** as of October 1st of the current Optimist International contest year (October 1 – September 30) **and who have not yet completed secondary school or its equivalent, including CEGEP students in Québec, Canada.** There is no minimum age. Contestants must enter in the District in which they reside. United States contestants attending school on a military installation outside the U.S. are eligible to enter in their last home of record. Contestants residing in non-Districted areas where there are no Optimist Clubs are not eligible for competition.
2. Contestants are eligible for only one Club's essay contest during any given year. (October 1st - September 30th)
3. No individual having previously won a District Essay scholarship will be eligible to compete at any level of the competition again.
4. All contestants at each level of the contest must provide proof of age and identification in the form of a copy of either their birth certificate or passport before participating. A copy of the Club winner's document will be submitted to the District contest.

Section III - Contest Rules

1. Participants must write on the official contest topic for the current year.
2. Each entry must begin with a title page containing topic, number of words, writer's name, address, phone number, name of school and date of birth.
3. The official topic should be at the top of title page and at the top of page 1 (penalty of 3 points)
4. Essays must be typed, double-spaced and single-sided. (Deduction of 5 points for each infraction)
5. Essays must contain at least 700 words but no more than 800 words. Every word of the essay is counted. This does not include the title, bibliography, or footnotes. Hyphenated words count as 1 word. (Deduction of 5 points for each 25 words over/under limit – French Essays will allow 50 words over/under for the deduction). Words are to be counted manually.
6. Each page of the essay must be numbered starting with page 1, not the title page. The numbers must be centered at the bottom of each page.

7. Any quotations or copyrighted material used in the essay must be identified properly, using a recognized citation format. For example, use of a specific writer's format (such as MLA, APA, Chicago style). Failure to identify non-original material will result in disqualification.
8. No reference can be made in the essay that identifies the contestant, parents, school, community, sponsoring Optimist Club or District. (Deduction of 5 points or fraction based on degree of identification)
9. An essay should be written in English, or it may be written in either French or Spanish if the language used is accepted by the District of entry.
10. The entry must be stapled together in the upper left-hand corner. Covers of any type are not accepted.

Section IV – Judging

1. Judging will be completed by a panel of three qualified judges who are not acquainted with the contestants. At the Club level, judges may be Optimist Members. At the District level, judges must be non-Optimists. (Friends of Optimists are excluded and can be used as judges).
2. In an effort to conceal the identity of each contestant, each entry will be anonymized and assigned a number by the Essay Contest Chair. The assigned number will be placed on the title page and page 1 of the essay. The title page will then be detached and retained by the Essay Contest Chair. The judges will be given the essays bearing only the assigned numbers.
3. Judges will not discuss or compare the essays being judged.
4. Only judges can assign a penalty or award points.
