April 1st Board Meeting

The Board of Directors held a video meeting and discussed the impact of COVID19 on our plans and activities for the rest of this Optimist year. For April we will hold all our meetings via zoom.us. Tom Neal will set up the link. Our goal is to make them useful with information and a good speaker. We will send you the list next week.

Oratorical Contest Tomorrow!

We are going to hold the contest tomorrow, **Thursday, April 2 at 9:00 am**. It will be done by Zoom Conference call. You are invited to listen only. The topic is “**Just iMagine a World without Boundaries**”. Our Chairperson is Nicole Blackmon.

Join URL: <https://zoom.us/j/718132065>. Please mute your microphone for the whole event. If you need help getting connected, call Tom Neal at 248-568-6204.

This contest is a great opportunity to witness how fantastic our young people address the topic.

Q: How do you make an orange giggle?

A: Tickle its naval.

Club meeting next Wednesday

We will hold our club’s election of officers during our club zoom meeting next **Wednesday, April 8 at 8:00 am to 8:30 am**. More information on that meeting will be sent out next Monday.
