Club meeting This Wednesday

Our next club meeting is **Wednesday, April 15 at 8:00 am to 8:30 am**. Also, we are honored to have **Dave Boyer, City Manager for Farmington Hills** as our featured speaker. Come to the zoom call and learn what is happening in the Hills this year in light of the pandemic impact. Some questions for Dave:

1. What is the difference between a City Manager run government and a Mayor-run government?
2. What are the essential services for the city?
3. How has the pandemic impacted our city?
4. What are the priority road and other projects for this year?

Here is the zoom.us info for our meeting:

Congratulations to Newly Elected Board for 2020-2021

Last week we elected a complete slate of Officers and Directors. They will start October 1, 2020. There will be a joint meeting of the new Board with the old Board in September, 2020.

JOI T-Shirt Design Contest

So far, we have received one design to next year's JOI t-shirt. I encourage JOI Optimist Advisers to reach out to our parent/teacher leaders to promote the contest so we can have more entries. The new deadline is **Friday, May 16**.

Healthy Mitten April 2020

Beginning in April we have a new program to instill positive and healthy habits in our youth, our community and ourselves. It is Walk, Run or Ride (bicycle) event.

This link <https://michiganoptimists.org/healthy-mitten-2020/> will take you to the MI district website where you can register a team. Tom's team, f2hoptimists is for biking. Check it out.
