Oratorical Contest Excellent!

We had 25 people on the zoom conference for the contest last Wednesday. The topic was “**Just iMagine a World without Boundaries**”. Our Chairperson, Nicole Blackmon, did an outstanding job of running this contest in light of all the school closings and new online method.

We had 5 contestants from 3rd grade to high school. The winners were:

First Place Ian O'Donnell, Catholic Central HS

Second Place Preya Patel, Farmington HS

Third Place Jayna Shah, Farmington Steam Academy
