Speaker: Kim Olson, School Leader, Oakland Flextech H.S.

Kim leads a charter school authorized by Central Michigan University. Her school is a project-based learning high school that assesses students based on mastery of competencies which they demonstrate through projects, authentic learning experiences, and real-world application. Come listen as Kim tells us how their school works to bring out the best in kids.

Kids Fishing Day – Saturday, July 24

We will be working with Special Services to run this project at Founders Fishing Pier in Founders Park on 8 Mile Road. It will be a combo of optional kit pick-up and/or in-person fishing. That way folks can choose. We have cut down on the amount of structured guided time we spend on knot-tying, practice casting, & fish printing to allow more fishing time and shorter sessions. Fishing time will be limited to 1-hour, with the idea that families can choose to head to a different site from a list we provide, if they want to fish more. Our Optimist Club is providing the rods/reels, tackle boxes, etc. like in previous years. We will need **volunteers to help assemble rods and reels and stock tackle boxes** on Volunteer Day, Jul 17 from 11am-Noon. We will need **volunteers the day of the event** to assist with fishing, check-in, kit pick-up and any dry-land demos we do, as always. The time slots are 8am to 11am, 11am to 2:00pm for volunteers. We will send out a SignUpGenius notice so you can select when you will volunteer.

103rd O.I. Convention in Atlanta, Georgia – June 30

Orrie Donley Golf Outing, Tuesday, August 3rd

The Golf Committee is currently accepting raffle gifts. Remember to get your \$25 (at least) gift card to Cathy Neal. We have 7 so far but need a lot more to make up the popular gift card tree (a major prize). Start recruiting your foursome for the Aug. 3 event. Golf flyer is attached. Also, attached is a member form to use in making donations to the golf outing fundraiser.
