## **Farmington/Farmington Hills Optimist Club**

*"We provide hope and a positive vision, as we bring out the best in our youth, our communities, and ourselves."*

### **New Member Profile – Triman Jagdev**

My name is Triman Jagdev. I have lived in Farmington Hills for around 20 years with my family. My 2 kids have been in Junior Optimists since kindergarten. During these years, I have seen them getting involved in JO activities and grow as contributing members of the society. JO has been an excellent opportunity for them to learn to lead and also serve the community with optimism. being part of their JO journey. I have learned a lot and also grow internally as a human.

So, I have witnessed firsthand how the mission of Optimist International (By providing hope and positive vision, Optimists bring out the best in youth, our communities and ourselves.) measures up to the mark.

Fun Fact about me: Farmington Hills is the only city in my life where I have stayed the longest. So, I consider it my home.

### **New Member Orientation – July 14**

We are inviting potential members to consider joining our active, community-based optimist club. Have them come to our virtual orientation to learn how they can be a part of us.

**When:** Wednesday from 7:00 pm to 8:00 pm

**Virtual:** zoom link: <https://us06web.zoom.us/j/85853722568>

**Purpose:** To explain how we bring out the best in kids, our community and ourselves.

*Email Tom Neal with prospective members names and email addresses so he can send them an invite. Thanks.*

### **Founders Parade – Saturday, July 17**

This year's theme is Heroes and Villains. Roxanne will be providing the float and various handouts for kids to give out along the parade route. The starting place will be down Grand River Avenue as usual. Find us to share the optimism we have for our communities. Sign up at this SignUpGenius link:

### **Kids Fishing Day – Saturday, July 24**

We will be working with Special Services to run this project at Founders Fishing Pier in Founders Park on 8 Mile Road. It will be a combo of optional kit pick-up and/or in-person fishing. That way folks can choose. We have cut down on the amount of structured guided time we spend on knot-tying, practice casting, & fish printing to allow more fishing time and shorter sessions. Fishing time will be limited to 1-hour, with the idea that families can choose to head to a different site from a list we provide, if they want to fish more. Our Optimist Club is providing the rods/reels, tackle boxes, etc. like in previous years.

1. We will need **volunteers to help assemble rods and reels and stock tackle boxes** on Volunteer Day, Jul 17 from 11am-Noon. Here is SignUpGenius link:  
<https://www.signupgenius.com/go/10C0A44AEA722A2F58-assemble>
2. We will need **volunteers the day of the event** to assist with fishing, check-in, kit pick-up and any dry-land demos we do, as always.
3. Please use this SignUpGenius link to indicate when you can help on Kids Fishing Day:
