Club Website Changing

Farmington/Farmington Hills Breakfast Optimist Club

Our website has changed providers this week. While the new site is up and running, it is a work in progress. The new provider is **Jeff Dennings** with *Advantage Intelligent Marketing*. Jeff is an Optimist member of the West Flint Optimist Club. He is very familiar with Michigan Optimists for the past many years. The new website will not look like the old one. Be patient as we work to improve it over time. First priority is having the Golf Outing functional. Second is having the Jr. Optimist functional in September. If you have any suggestions email Tom Neal by reply, who is in communication with Jeff.

Duck Race Report

We sold tickets and the club received over \$200 for that effort. Also, we had two winners! Don Munter 4th and Tom Neal 5th. Ask them what they will do with their prizes.
