Farmington/Farmington Hills Optimist Club

"We provide hope and a positive vision, as we bring out the best in our youth, our communities, and ourselves."

Orrie Donley Golf Outing, Tuesday, August 3rd

Thank you to all for making our annual Orrie Donley Golf Outing a financial and fun success! The preliminary report shows we netted \$17,482. That will rebuild our financial reserves so we can do more bringing out the best in kids and our community! Kudos to the golf committee who have dedicated their time and effort to this success. Thanks to Co-chairs of the event: Roxanne Fitzpatrick and Laura Stewart!

New Member Profile – Triman Jagdev

My name is Triman Jagdev. I have lived in Farmington Hills for around 20 years with my family. My 2 kids have been in Junior Optimists since kindergarten. During these years, I have seen them getting involved in JO activities and grow as contributing members of the society. JO has been an excellent opportunity for them to learn to lead and also serve the community with optimism. being part of their JO journey. I have learned a lot and also grow internally as a human.

So, I have witnessed firsthand how the mission of Optimist International (By providing hope and positive vision, Optimists bring out the best in youth, our communities and ourselves.)

measures up to the mark. Fun Fact about me: Farmington Hills is the only city in my life where I have stayed the longest. So, I consider it my home.
